

RPO WZ 2014-2020

The Regional Operational Programme of Zachodniopomorskie Province 2014-2020 constitutes one of the methods of the implementation of the Development Strategy of Zachodniopomorskie Province in the period of 2014-2020. The support from the Programme focuses on three key areas: economy, infrastructure and society. After a positive approval of the Strategies for the Integrated Territorial Investments of the Koszalińsko-Kołobrzesko-Białogardzki Functional Urban Area by the Executive Board of Zachodniopomorskie Province on the grounds of Resolution no. 1026/16 dated 29 June 2016 in relation to the financing option of Integrated Territorial Investments under the Regional Operational Programme of Zachodniopomorskie Province 2014-2020, the Schedule of Projects was updated under non-competitive project selection procedure to include projects to be implemented under the Strategy of the Integrated Territorial Investments of the Koszalińsko-Kołobrzesko-Białogardzki Functional Urban Area. Promotion and Information in EU Projects; Promotion of Investments, which obtained EU support is a very import aspect of the implementation of every project.

All EU citizens have the right to know how EU financial resources are used.
